Welcome to the Resource Fair.

The Where to Turn Resource Fair brings together social service professionals who work with families, seniors and community organizations. We convene twice per year in Spring & Fall. You will meet new people, but will also see a lot of familiar faces. Pittsburgh is definitely a city of bridges – everyone is connected.

American HealthCare Group provides health & wellness programming throughout Western Pennsylvania. Our clients include school districts, senior buildings, corporations, non-profits, and community groups.

Through our work we've met an incredible network of health & wellness vendors who can provide services to your patients, clients, or customers in their time of need. You will meet them in the Resource Fair –when you need assistance they will be top-of-mind.

Thank You to Our Sponsors!
