

Southwest Training:

The Pennsylvania Housing Finance Agency's "**Building Your Financial House**" (BYFH) is a comprehensive financial education program dedicated to helping low to moderate income families secure their financial foundation and build a brighter future. The train-the-trainer boot camp will assist financial and housing counselors*, services coordinators, program managers, case managers, and social workers with delivering the program which uses real life examples, tools for practicing financial skills, and confidence builders for families to take action.

Objectives

As a result of this program, participants should be able to:

- * Define financial literacy and expectations of financial education from the learner's perspective
- * Identify the specific financial knowledge and actions that make up the Framework for Building Your Financial House
- * Deliver the program in its entirety
- * Identify effective facilitation and communication skills
- * Utilize the built in program evaluation
